

BIO-DOX (213)

BACTERICIDAL HAND SOAP

- *Contains skin conditioners - mild in use*
- *Contains Benzalkonium Chloride - bactericidal action*
- *Non-tainting - suitable for food environments*

Bio-Dox is a high active bactericidal hand soap and skin cleanser with a controlled foam level.

A thick, clear, yellow liquid made from high quality surfactants and biocides, Bio-Dox is odourless and taint-free.

Particularly suitable for use in establishments where hand hygiene is a priority, e.g. hospitals, care homes, clinics, etc. As a non-tainting and odourless product, Bio-Dox is also ideal for use in food environments.

DIRECTIONS

Apply BIO-DOX to wet hands. Rub into the skin, ensuring contact with the entire surface of the hand and wrist. Ensure that you interlace the fingers to clean these areas and use a clean nail brush to clean under the fingernails. Rinse away with clean water and dry hands thoroughly.

N.B. DO NOT MIX WITH OTHER HAND SOAPS

Use biocides safely. Always read the label and product information before use.
