

SLUICE WASH (337)

SLUICE AND BEDPAN DETERGENT

- *Powerful - removes stubborn soil and stains*
- *Non-foaming formula*
- *Anti-scale - protects your machine*

SLUICE WASH is a powerful detergent which ensures excellent performance in cleaning commode pots, bedpans, urine bottles and utensils.

A clear yellow liquid, SLUICE WASH is completely non-foaming and protects the machine against scale build-up.

SLUICE WASH is suitable for use through integral or wall mounted chemical dosing equipment in all recognised types of industrial and automatic bed pan and sluice washing machines.

This specialist product is designed for use in care homes and hospitals and is highly effective in both hard and soft water areas.

DIRECTIONS

Feed through automatic dosage equipment and adjust the concentration to obtain the cleaning results you require at the minimum effective setting.

SLUICE WASH : Water		
Soft water	Hard water	Extreme hard water
1-2ml : 1 litre	3ml : 1 litre	4ml : 1 litre
